**Re: Notification of Subscriber Transfer  
CC Docket No. 00-257**

Dear Madam Secretary:

Pursuant to Section 64.1120 of the Commission's Rules, this letter provides notification of the planned transfer of certain Texas local exchange subscribers of Delta Phones Inc. ("Delta Phones") to SBC Texas. SBC Texas will provide all transferred subscribers local exchange and/or local toll services. Each affected subscriber will have notice prior to the transfer. SBC Texas will begin transferring customers on November 13, 2003.

Delta Phones was unable to continue providing its customers telecommunications service in the SBC Texas region. To prevent disconnection of service for Delta Phone customers, SBC Texas began providing Delta Phones customers local telephone service, for an interim period, on October 6, 2003. SBC Texas has provided these customers advance notice that it will become their new provider of telecommunications service beginning November 13, 2003 unless they select another provider. SBC Texas certifies that it will comply with the obligations specified in the notice and any other applicable statutory and Commission requirements. A sample notification letter is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "David Grant", with a long horizontal line extending to the right.

David Grant

**NOTICE OF TRANSFER OF TELEPHONE SERVICE**

RE: 979-836-8198-467

October 31, 2003

MOORE,JOHNNY  
604 ELEANOR DR  
BRENHAM TX 77833

Dear MOORE,JOHNNY:

Until recently, Delta Phones, Inc (Delta Phones) had been providing your local telephone service (dial tone) over the resold facilities of SBC Texas (SBC). As you may be aware, Delta Phones is no longer able to provide your local telephone service.

But for the terms of the agreement governing Delta Phones' service to you, once Delta Phones' account with SBC was disconnected, your local telephone service would have been disconnected, too. To prevent your service from being disconnected without notice to you, SBC began providing local telephone service to you on October 6 2003 for a limited transition period. The last day of this limited transition period will be November 13, 2003.

Important: Delta Phones, Inc. ("Delta Phones") SBC Texas (SBC) have entered into agreements whereby SBC has acquired Delta Phones' rights to provide your local telephone service should you not choose another local service provider by the November 13, 2003. This change does NOT affect long distance services you may currently be receiving from an interexchange carrier.

SBC records indicate that as of October 31, 2003, you have not yet selected another local telephone service provider. There are approximately two weeks before the limited transition period ends and your service will be transferred to SBC in accordance with applicable rules of the Federal Communications Commission ("FCC") and your state public utility commission.

You have a choice in selecting your telephone service provider.

1. **If You Select SBC Texas for Local Phone Service by the Selection Date:** Please contact SBC Texas at 1-866-877-1070 to make arrangements for local telephone service as soon as possible. SBC Texas has attractive pricing programs and packages for local residential service that your SBC Texas representative can discuss with you. SBC Texas will provide you with the local phone services you request, and it will make local toll and long distance service available to you from the carrier of your choice. **SBC Texas will not charge its customary new connection fee or any other change of carrier charges**
2. **If You Do Nothing by the Selection Date:** If you have not transferred your service by the Selection Date (November 13, 2003), your local telephone service will be automatically transferred to SBC Texas during the Transfer Period at no cost to you, and you will not

experience any telephone service outage. In accordance with the applicable rules of the FCC and your state public utility commission, services will be provided to you as follows.

a. Local Phone Services – SBC Texas will provide the same or equivalent local phone services as you were receiving with Delta Phones, Inc. at SBC Texas' approved rate structure (see attached summary of SBC Texas' service terms and conditions for more details). In addition, SBC Texas will not charge its customary new connection fee or any other change of local carrier charges. SBC Texas' rates, terms and conditions will be applicable on the date SBC Texas becomes your service provider. SBC Texas will contact you by mail or telephone to advise of any post-transfer changes.

b. Local Toll and Long Distance Services –

- 1) Local Toll from Delta Phones, Inc. Local Toll and Long Distance Customers – If you use Delta Phones, Inc. local toll but another carrier for long distance, then SBC will provide your local toll service at SBC's approved rate structure and you will continue to receive your long distance services from the same carrier.
- 2) Local Toll and Long Distance Customer of Another Carrier – If you use a long distance carrier for local and long distance services, you will receive the same service from the same carrier.

If you have a preferred carrier freeze that prevents unsolicited changes on your local phone, local toll, and/or long distance services, and have not contacted SBC Texas or another provider by the Selection Date (November 13, 2003), *the freeze will be lifted and your services transferred according to this section*. You must contact SBC Texas to arrange for the freeze protection to be reinstated after the transfer.

c. Service Adjustments – You may make adjustments and changes to your service from SBC Texas at any time by calling service representatives (per your billing statement).

3) If You Select Another Provider before the Selection Date: You must make arrangements with that service provider to transfer your service on or before the Selection Date (November 13, 2003). Your selected carrier will determine the charges for the services you select.

Delta Phones, Inc. will no longer make any new changes to your telephone service, and Delta Phones, Inc. has full responsibility for handling any outstanding complaints or disputes that may exist between you and Delta Phones, Inc. or referring you to the appropriate carrier.

If you have any questions about SBC Texas' telephone services or features, please contact SBC Texas at 1-866-877-1070 or visit its web site at [www.sbc.com](http://www.sbc.com).

SBC Texas looks forward to meeting your local communications needs. Please see attached terms and conditions.

If you have changed your local telephone service provider since October 31, 2003, please disregard this letter.

Sincerely,

April Mullins
